Patents 1 - 10 on **determining digital fingerprint of content data**. (0.06 seconds)

[List](#)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

[Data repository and method for promoting network storage of data](#)

US Pat. 7124305 - Filed Jan 7, 2004 - Permabit, Inc.

The **data** repository may save substantially all **content** browsed by the clients, ... The method comprises **determining** a **digital fingerprint** of each fragment, ...

[System and embedded license control mechanism for the creation and ...](#)

US Pat. 6920567 - Filed Apr 7, 2000 - Viatech Technologies Inc.

digital content file, and the **digital content** can be accessed only through ... to access the media **data** when the current system **fingerprint** information ...

[Watermarking and fingerprinting digital content using alternative blocks to ...](#)

US Pat. 7003131 - Filed Jan 31, 2003 - Kaleidescape, Inc.

A device capable of detecting a **fingerprint** in **digital content**, ... packetization of the **digital content**; **determining** which of the possible alterations have ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10752980 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

26, 2004 18 **determining** a **digital fingerprint** of the **data** item; ... the **digital fingerprint** of the **content data** item to the **digital fingerprints** of **content** ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10874817 - Filed Feb 26, 2003

determining a **digital fingerprint** of the **data** item; testing for whether the ... the **digital fingerprint** of the **content data** item to the **digital fingerprints** ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10752732 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

26, 2004 18 **determining** a **digital fingerprint** of the **data** item; ... the **digital fingerprint** of the **content data** item to the **digital fingerprints** of **content** ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10753125 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

26, 2004 18 **determining** a **digital fingerprint** of the **data** item; ... the **digital fingerprint** of the **content data** item to the **digital fingerprints** of **content** ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10752733 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

Oct. 14, 2004 18 **determining** a **digital fingerprint** of the **data** item; ... the **digital fingerprint** of the **content data** item to the **digital fingerprints** of ...

[\[APPLICATION\] History preservation in a computer storage system](#)

US Pat. App 10/752,958 - Filed Jan 7, 2004 - Permabit, Inc., a Massachusetts corporation

storage device of a **data** repository connected to the network, the method comprising:
determining a digital fingerprint of the **data** item; testing for whether ...

[APPLICATION] Media player operable to decode **content data**

US Pat. App 11360722 - Filed Feb 23, 2006 - Rok Productions Limited

In particular, some **content** blocks 1204-1208 are each provided with one or more excess **data** items. The excess **data** item preferably is a **digital fingerprint**. ...
